

The name of the law firm Jinwoon consists of the Chinese characters Jin, which means to open or unfold, and Woon, which means sound. Underlying the meaning of these two characters put together is a law firm that doesn't forget its original intentions and has a vision of continual growth and development.

The Jinwoon Law Firm was first established in May of 2012 as the Jinwoon Law Office and became a full-fledged law firm in September of 2013 that operates in the following fields: science and technology R&D, ICT, broadcasting communications, energy, railways, roads, ports, water resources, public and private investments, SOC construction and real estate development projects, subcontractor construction disputes, legislative consulting. Jinwoon is regarded as a specialist for industries in the public sector.

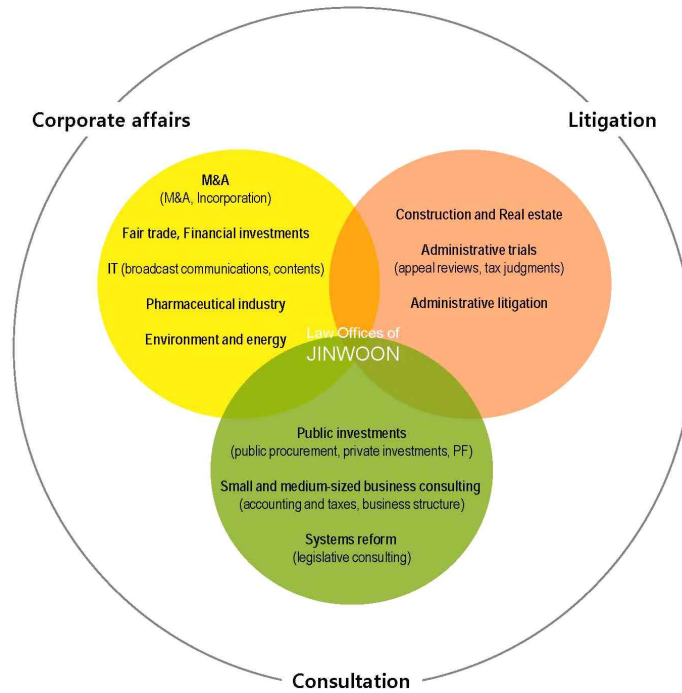

Jinwoon provides top legal advice and services for civil suits, administrative trials, systems reform and legislative consulting. Among some of the firm's clients are the following: The Ministry of Strategy and Finance, the Ministry of Science, ICT and Future Planning, the Korea Communications Commission, the Ministry of Land, Infrastructure and Transport, the Ministry of Oceans and Fisheries, the Ministry of Education, the Ministry of the Interior, the Ministry of Health and Welfare, the Small and Medium Business Administration, the Public Procurement Service, the Korea Rail Network Authority, the Korea Energy Agency, the National Pension Service, the Korea Environment Corporation, the Korea Research Institute of Bioscience and Biotechnology, the Korea Water Service, the Korea Institute for Advancement of Technology, the Korea Gas Technology Corporation, the Korea Power Exchange, the Korea Internet and Security Agency, the Korea Engineering and Consulting Association, the National Computing and Information Service, Seoul Metro Line 9 Corporation, a variety of small businesses and venture companies, and the Korea Federation of Small and Medium-sized Enterprises.

The entire team at Jinwoon is able to grow individually and collectively with a positive outlook, and we continually strive to provide the highest quality service that is tailored to the needs of each client.
