## greetings

The name of the law firm Jinwoon consists of the Chinese characters Jin, which means to open or unfold, and Woon, which means sound. Underlying the meaning of these two characters put together is a law firm that doesn't forget its original intentions and has a vision of continual growth and development.

The Jinwoon Law Firm was first established in May of 2012 as the Jinwoon Law Office and became a full-fledged law firm in September of 2013 that operates in the following fields: science and technology R&D, ICT, broadcasting communications, energy, railways, roads, ports, water resources, public and private investments, SOC construction and real estate development projects, subcontractor construction disputes, legislative consulting. Jinwoon is regarded as a specialist for industries in the public sector.

The entire team at Jinwoon is able to grow individually and collectively with a positive outlook, and we continually strive to provide the highest quality service that is tailored to the needs of each client.
